Students should select elective courses that relate most closely to their course of study and their plans for postgraduate education or career choice.

An **elective** course pre-registering fewer than six students may be canceled at the discretion of the Academic Dean. A **required** course pre-registering fewer than four students may be canceled if none of the pre-registered students are in the final year of their program.

¹ Courses ending in odd numbers (101, 203, 301, 403) are offered in the fall semester; courses ending in even numbers (102, 204, 302, 404) are offered in the spring semester.

² Required for all freshmen.

³ Student may also take any other course not required for his/her program of study as an elective.
